

# Vaccine Update #468 – WA Immunisation Schedule changes webinar recording now available

## Webinar recording now available: Changes to the WA Immunisation Schedule

The Communicable Disease Control Directorate (CDCD) Immunisation Program hosted a webinar covering important changes to the WA Immunisation Schedule. The session focused on updates related to pneumococcal and RSV vaccines. The rationale behind the changes and implications for immunisation providers were explained.

### Speakers:

- Professor Paul Effler, Senior Medical Advisor, CDCD
- Professor Chris Blyth, Paediatric Infectious diseases Physician and Clinical Microbiologist, The Kids Research Institute Australia
