

# Child Health Researchers Meeting

**Study Coordinators and researchers involved in patient related studies at Child and Adolescent Health Service (CAHS) or Telethon Kids Institute are invited to attend these monthly meetings. Come along for information sharing and further training and development to support best practice in human studies.**

The meetings are coordinated by the CAHS and Telethon Kids Institute, with alternating monthly programs across the two organisations. Topics will vary across the sessions. To view the upcoming meeting agendas please visit –

**3rd Monday of every month**

**2-3pm**

**Telethon Kids Institute Seminar Room,  
Level 5, Perth Children's Hospital**

## We welcome your input:

- Research groups can nominate one to two names for inclusion on a distribution list for regular updates.
- Suggest topics that would add value to your research and facilitate better research practices and collaboration between CAHS and Telethon Kids Institute.

Please email the Telethon Clinical Resource Centre (TCRC) Research Receptionist [lynn.jarvis@health.wa.gov.au](mailto:lynn.jarvis@health.wa.gov.au) who can add you onto the distribution list or direct your query/suggestion to either the CAHS or TKI organiser.
