

# Happy While Healing

## Animated Short Films

Created by patients and families at Perth Children's Hospital

The Child and Adolescent Health Service proudly presents the 2019 Artist in Residence Project.

Funded by the PCH Foundation and delivered to patients and families throughout Perth Children's Hospital in partnership with the School of Special Educational Needs: Medical and Mental Health and the Fun on Four team.

The Artist in Residence  
**Steven Aiton**  
has worked with patients and families at PCH throughout 2018/2019 to create stop motion animation movies in wards, classrooms and Fun on Four.

A selection of these animations has been compiled into a movie which will be screened in the

### Fun on Four Cinema

12.30-1pm week days 29 May – 30 June 2019.

The Artist in Residence Program at CAHS provides opportunities for participation in creative activities that aim to positively impact the learning, health and wellbeing of patients, families and staff at the hospital.

For further details please contact the PCH Art Curator and Art Program Co-ordinator
