

# CAHS Research Education Program

## 2024 Research Skills Workshop Series

The Research Education Program (REP) Research Skills Workshop Series, supported by the Perth Children's Hospital Foundation and the Telethon Kids Institute, offers a series of interactive workshops that focus on building the most fundamental research skills required to undertake clinical research projects.

Workshops aim to directly build user skills and knowledge in a guided environment, with time to ask questions specific to your own project.

**Presented by:** CAHS Research Department and invited guests

**Location:** PCH, TKI Seminar Room, Level 5 (W)

Topic	Day	Date	Time	Max (in-person)
<p><b>Workshop 1 - Navigating Research Ethics and Governance in WA</b></p> <p>If you are undertaking a research project or are thinking about becoming involved in research, understanding the review and approval requirements for your research project may appear intimidating. This workshop aims to help you understand the process of ethical and governance review for research approvals at CAHS - includes PCH, CACHS, CAHMS and Neonatology.</p>	Wed	1 May	1.30pm - 3:30pm	40 <a href="#">Register</a> 
<p><b>Workshop 2 - Setting up Clinical Trials</b></p> <p>Clinical trials are the benchmark for testing interventions in healthcare. This workshop aims to provide practical advice to clinical researchers who want to gain insight on how to develop and complete their clinical trial on time and within budget. Come learn practical aspects of the steps involved in developing a clinical trial from the research idea to protocol development and execution.</p>	Mon	20 May	12.00 noon - 2.00pm  Level 6 TKI Manda	40 <a href="#">Register</a> 
<p><b>Workshop 3 - Manuscript Writing</b></p> <p>Journal publications are an integral part of dissemination of research findings. However, it can be overwhelming to convert several months of research into a succinct manuscript that will be loved by peer-reviewers and attract readers. This workshop is designed to give those who have completed their research projects, practical skills to transform their research data into publishable peer-reviewed literature.</p>	Tue	11 June	2.00pm - 4:00pm	40 Register
<p><b>Workshop 4 - Oral Presentation of Research Results</b></p> <p>Dissemination of research findings is integral in knowledge translation and clinical practice change. Oral presentations provide rapid dissemination of research findings to a target audience. We invite you to a practical session that will provide useful tips, practice sessions and personalised feedback to help deliver an adequate depth of your research findings to various research stakeholders.</p>	Tue	13 Aug	2.00pm - 4:00pm	40 Register

### IMPORTANT

Places are strictly limited and offered on a first-come, first-serve, basis. If you are not able to attend a workshop for which you have registered, please contact Research Education Program support via phone or email to cancel your reservation and/or be placed on the waitlist.
